IN PRESSURE SEAL

The NEW

AS850

PRESSURE SEALER

The PressureSeal Solution

PressureSeal is a labour efficient process whereby printed continuous or cut sheet forms, once personalised, can be folded and sealed in one single operation. The overall objectives of the PressureSeal solution are to:

- Create a fast, more cost-effective and direct route from computer to mailroom.
- Eliminate excessive handling - No impact printers, bursting or decollating.
- Maximise laser printing technology.
- Create multi-purpose generic documents for other applications.
- Provide total product security and confidentiality.

Using PressureSeal the printed document is folded and sealed creating its own outgoing envelope.

A Wide Range of Mail Applications

- Payslips & P60's • Cheques • Invoices & Statements
- Reminders • PIN Mailers • Appointment Notifications
- Return Mailers • Direct Mail - And many, many more...

The complete solution for Document Finishing

Features

- Double Document Detection • Single form hand-feed station
- Re-settable electronic Counter • CE approved
- 12 month Warranty • Self calibration for various paper weights
- Integral base cabinet • Extremely easy to operate

Specification

Form Sizes:	Depths - 177mm-356mm (7"-14") Widths - 101mm-240mm (4"-9 1/2")
Paper Weights:	90gsm to 120gsm
Form Folds:	All forms including 'Z' and 'V', 'C' (optional)
Machine Size:	620mm (w) x 1340mm (l) x 1120mm (h)
Weight:	160 kg
Speed:	Variable - up to 6,000 forms per hour
Volume:	Up to 200,000 per month

Informative user interface, making it even easier to control your monthly throughput.

Due to its innovative construction, the AS850 now offers unrivalled access ensuring maximum uptime. Additional features also improve overall serviceability.

Forms can be continually loaded while running to speed up document finishing.

Output options

There are two stacking options. Vertical, for easy continuous off loading. Alternatively, forms are off loaded by the standard shingle overlap conveyor.

The AS850 is only part of PFE's comprehensive range of pressure sealers - Please contact us for more information.
